Do you ever wonder...?

- ? Who or what is really shaping my child's character and life?
- ? How can I have a better influence over my children?
- ? What's really going on with my child at school?
- ? Is there a better option for educating my children than the local schools?
- ? How can I protect my child from worldly influences in education?
- ? Does the Bible have any relevance in education today?
- ? What would it be like to teach my children myself?
- ? Could my church do more for the education of our children?
- ? Is it really possible for my child to be a committed Christian in today's world?

Well, these are real questions and there are real answers to all your other vital questions about education. You need not settle for less. God has provided solutions to all education problems. We at Christian Education Solutions are here to assist you in accessing and experiencing what God has made available to you in Christian education.

building beautiful characters

True education does not ignore the value of scientific knowledge or literary acquiresments; but above information it values power; above power, goodness; above intellectual acquiresments, character. The world does not so much need people of great intellect as of noble character. It needs people in whom ability is controlled by steadfast principle.

Who are we?

Christian Education Solutions is an education and training service with the purpose of building beautiful strong Christian characters in our children and young people to meet the challenges of today's world. This will enable them to live productive lives and be powerful influences for the good of humanity through the proper development of their God-given abilities. We seek to bring biblical Christian principles to the heart of educational issues facing children and young people today. Through our various programmes, we aim to inform and train parents, teachers, church leaders and anyone else interested in true education.

Services

We offer a range of educational services including courses, seminars, family consultations, school development and resources. Our services are open to any interested individuals, groups or organisations and can be run in churches, homes, community settings, schools, etc. We can also offer bespoke programmes to address specific interests or needs.
